# ANTI-AGING Beauty Revolution

## WHY HYDROGEN?

1. smallest element in the universe: Highest bioavailability at the cellular level, which penetrates all skin barriers to optimize DNA & telomeres (cell rejuvenation)
2. antioxidant effect: molecular hydrogen neutralizes free radicals responsible for skin aging and cell damage
3. cell regeneration: Promotes the renewal and health of skin cells, resulting in radiant skin.
4. anti-inflammatory: Can reduce skin irritation and redness, which contributes to a clear complexion.
5. easy & safe to use: easy to integrate into your daily skincare routine and suitable for all skin types.

## WHY LUMIVITAE?

1. paradigm shift: leading pioneer in the application of hydrogen technology & frequency technology for beauty
2. exclusive research: products are based on extensive scientific research with a strong brand.
3. nature's purest ingredients: Natural and safe ingredients, free from harmful chemicals.
4. positive customer feedback: Satisfied customers report visible improvements.
5. luxury & zeitgeist: We offer an experience with a variety of unique products that no company currently has.

## UNIQUE FEATURES CELLPOWER

1. no by-products: Due to the lowest current voltage and high-quality materials - PH value remains the same.
2. most advanced membrane technology: ensures highest efficiency and purity of the hydrogen produced
3. optimal ratio of all values: from ORP - RH2 - PH to maximize antioxidant effect.
4. integrated magnets: Protect from electromagnetic fields (EMF) and strengthen the water.
5. frequency technology: to increase energy, promote recovery and release the vitalizing properties in the water
6. design difference: color therapy and the most ergonomic and aesthetic design on the market promote visual health
