Performance Bio Hacking Master

WHY HYDROGEN?

1. performance enhancement: improves energy production in the cells which increases physical and mental performance
2. fast regeneration: promotes recovery after intensive training by reducing oxidative damage
3. endurance: Reduces fatigue and increases endurance during physical exertion
4. mental clarity: Supports cognitive function and concentration through improved blood flow
5. stress reduction: Helps reduce oxidative stress which increases overall well-being

WHY LUMIVITAE?

1. top products for biohacking: scientifically based solutions for performance optimization
2. natural formulas: Free from artificial additives pure and safe
3. easy to use: easy to integrate into everyday life and versatile in use
4. proven results: Positive feedback from athletes and an increasing number of well-known sports personalities
5. long-term benefits: Sustainable improvements in performance and well-being, as well as overall lifestyle

UNIQUE FEATURES CELLPOWER

1. no by-products: Due to the lowest current voltage and high-quality materials - PH value remains the same.
2. most advanced membrane technology: ensures highest efficiency and purity of the hydrogen produced
3. optimal ratio of all values: from ORP - RH2 - PH to maximize antioxidant effect.
4. integrated magnets: Protect from electromagnetic fields (EMF) and strengthen the water.
5. frequency technology: to increase energy, promote recovery and release the vitalizing properties in the water
6. design difference: color therapy and the most ergonomic and aesthetic design on the market promote visual health
